Box No. II	Observations where certain claims were found unsearchable (Continuation of item 2 of the first sheet)

rea			mational search report has not been established in respect of certain claims under Article 17(2)(a) for the following
		- 4	
1.	[X	()	Claim Nos.: 32 - 39 and 47 - 56
			because they relate to subject matter not required to be searched by this Authority, namely:
			The aforementioned claims are considered to be directed to methods of medical treatment, which the International Search Authority is not required to search under PCT Article 17(2)(a)(I) and PCT Rule 39.1(iv).
2.	ſ	1	Claim Nos. :
	•	-	because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically:
3.	[	]	Claim Nos.:
			because they are dependant claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a).
Box	. Ne	<b>D.</b> ]	Observations where unity of invention is lacking (Continuation of item 3 of first sheet)
Thi	s In	tan	national Searching Authority found multiple inventions in this international application, as follows:
1.	E		As all required additional search fees were timely paid by the applicant, this international search report covers all searchable claims.
2.	[	]	As all searchable claims could be searched without effort justifying additional fees, this Authority did not invite
			payment of additional fees.
3.	ſ	1	As only some of the required additional search fees were timely paid by the applicant, this international search report
	-		covers only those claims for which fees were paid, specifically claim Nos.:
4.	[	]	No required additional search fees were timely paid by the applicant. Consequently, this international search report is
			restricted to the invention first mentioned in the claims; it is covered by claim Nos.:
			Remark on Protest [ ] The additional search fees were accompanied by the applicant's protest and, where applicable,
			the payment of a protest fee.
			[ ] The additional search fees were accompanied by the applicant's protest but the applicable protest
			fee was not paid within the time limit specified in the invitation.
			[ ] No protest accompanied the payment of additional search fees.

Box No.	II Observations where certain claims were found unsearchable (Continuation of item 2 of the first sheet)
This interessons	ernational search report has not been established in respect of certain claims under Article 17(2)(a) for the following
1. [X]	Claim Nos.: 32 - 39 and 47 - 56
	because they relate to subject matter not required to be searched by this Authority, namely:
	The aforementioned claims are considered to be directed to methods of medical treatment, which the International Search Authority is not required to search under PCT Article 17(2)(a)(I) and PCT Rule 39.1(iv).
2. [ ]	Claim Nos. :
•	because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically:
3. [ ]	Claim Nos.: because they are dependant claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a).
Box No.	III Observations where unity of invention is lacking (Continuation of item 3 of first sheet)
This Inter	national Searching Authority found multiple inventions in this international application, as follows:
1. [ ]	As all required additional search fees were timely paid by the applicant, this international search report covers all searchable claims.
2. [ ]	As all searchable claims could be searched without effort justifying additional fees, this Authority did not invite payment of additional fees.
3. []	As only some of the required additional search fees were timely paid by the applicant, this international search report covers only those claims for which fees were paid, specifically claim Nos.:
4. [ ]	No required additional search fees were timely paid by the applicant. Consequently, this international search report is
	restricted to the invention first mentioned in the claims; it is covered by claim Nos.:
	Remark on Protest [ ] The additional search fees were accompanied by the applicant's protest and, where applicable, the payment of a protest fee.
	[ ] The additional search fees were accompanied by the applicant's protest but the applicable protest
	fee was not paid within the time limit specified in the invitation.  No protest accompanied the payment of additional search fees.
